Guard Against the Rising Cost of Repairs

As your vehicle gets older, both the risk and cost of repairs may increase.

An Elite CPO Wrap adds exclusionary coverage, the highest level of coverage that a vehicle qualifies for once it is outside the manufacturer's warranty. There is only a small list of excluded parts.¹

Protect your INFINITI CPO vehicle from unexpected repair costs with the enhanced protection of an Elite CPO Wrap upgrade to your vehicle's CPO Limited Warranty.

Average Expense per Repair Visit³

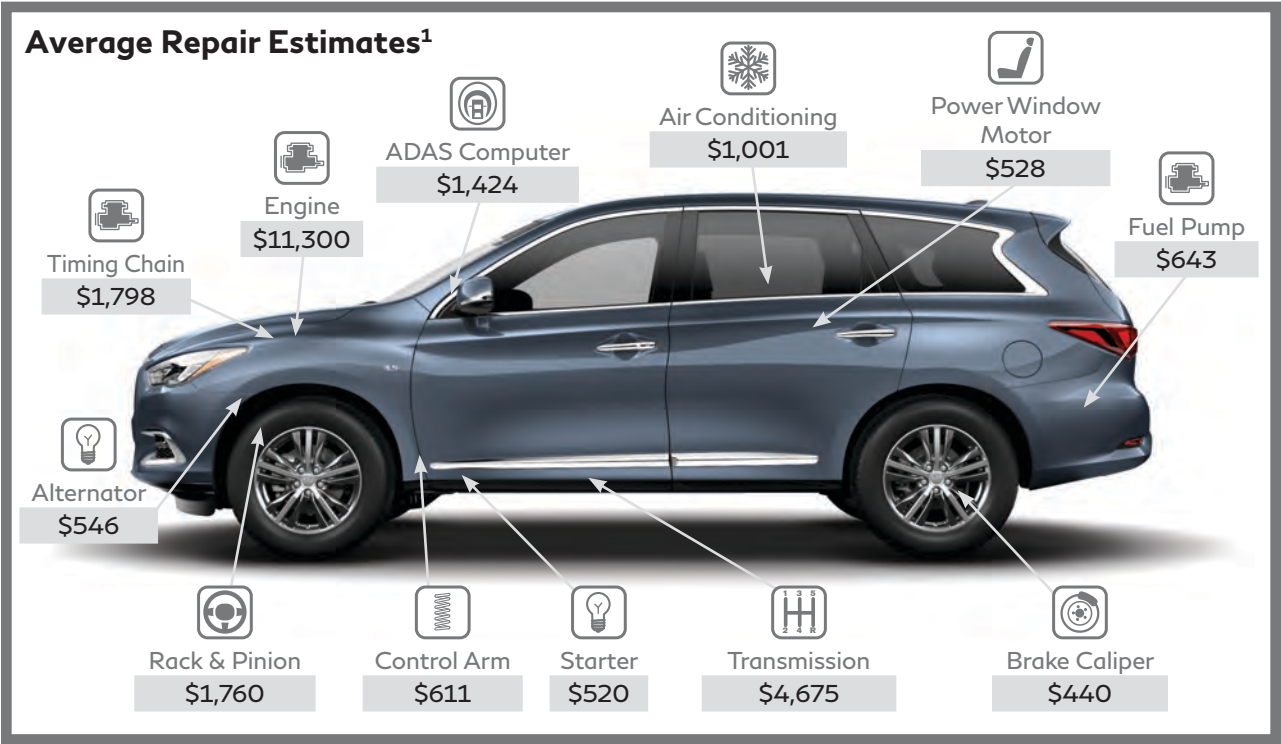

¹ There are only a few items/systems that are not covered. Exclusions include but are not limited to items such as paint/body, interior trim, head lamp/tail lamp assemblies and vehicle maintenance. Components covered are subject to change. For complete information concerning components covered, and those components which are excluded from coverage, please refer to your contract or contact your INFINITI retailer.

² High voltage battery is excluded from coverage.

³ Based on Plan Administrator's Repair Records through May 2023. Your experience may be different.
