## A Complete Vehicle Theft Deterrent and Recovery Solution

Our theft deterrent products provide you with real peace of mind for your vehicle and your wallet. These not only help prevent theft but also aid in the recovery of your vehicle if it's stolen. They may even meet insurance carrier requirements for anti-theft premium discounts.

## Available Options

### Uv Body Panel and Warning Labels

UV Body Panel Labels imprint a permanent and unique code onto a vehicle, visible only under UV light, allowing law enforcement agencies to identify the owner of a recovered vehicle. Each set also includes warning labels as an additional layer of security to help deter theft.

## Benefits

If a vehicle is stolen and not recovered, or if the vehicle is recovered and declared a total loss, you may be eligible for the following benefits:

- Money towards the purchase or lease of a replacement vehicle.
- Payment of theft expenses, including your primary insurance deductible, rental costs, and travel expenses.
